**"AN ACT CONCERNING THE UNIVERSITY OF CONNECTICUT
HEALTH CENTER'S FACILITIES PLAN."**

1 Strike everything after the enacting clause and substitute the
2 following in lieu thereof:

3 "Section 1. Section 10a-109b of the general statutes is repealed and
4 the following is substituted in lieu thereof (*Effective from passage*):

5 (a) The purpose of The University of Connecticut 2000 Act is to
6 promote the welfare and prosperity of the people of the state and the
7 continuation and improvement of their educational opportunities by
8 approving a special capital improvement program for The University
9 of Connecticut and enabling The University of Connecticut to borrow
10 money and enter into financing transactions in its own name, on behalf
11 of the state, to expand the authority of The University of Connecticut
12 to construct projects and to assure a state commitment to support the
13 financing of the acquisition, construction, reconstruction, improvement
14 and equipping of facilities, structures and related systems for the
15 benefit of the educational and economic development needs of the
16 state and The University of Connecticut, all to the public benefit and
17 good, and the exercise of the powers, to the extent and manner
18 provided in The University of Connecticut 2000 Act, is declared to be
19 for a public purpose and to be the exercise of an essential
20 governmental function.

21 (b) The purposes of sections 8 to 12, inclusive, 14 and 15 of this act
22 and the provisions of sections 10a-109c to 10a-109e, inclusive, 10a-109g,
23 10a-109n and 32-41s, as amended by this act, relating to The University
24 of Connecticut Health Center and John Dempsey Hospital are to
25 advance health care, education and economic development in the state
26 by (1) encouraging collaboration, innovation, job creation and new
27 investment by The University of Connecticut, various hospitals and
28 other institutions involved in the health and bioscience industries of
29 the state; (2) enabling the construction of a new bed tower at John
30 Dempsey Hospital and the renovation of academic, clinical and
31 research space at The University of Connecticut Health Center to
32 enhance the academic, clinical and research missions of The University
33 of Connecticut School of Medicine and School of Dental Medicine; (3)
34 facilitating the assumption of operational control of the neonatal
35 intensive care unit located at John Dempsey Hospital by Connecticut
36 Children's Medical Center resulting in a regional children's health care
37 system and an increased adult medical surgical bed capacity for John
38 Dempsey Hospital; (4) supporting the development of (A) a

39 comprehensive cancer center to expand clinical trials and advance
40 patient care at multiple sites in the Hartford region, (B) a state-of-the-
41 art simulation and conference center to be located on the campus of
42 Hartford Hospital that will be used to educate and train health care
43 professionals utilizing new technologies and simulated care settings,
44 (C) a primary care institute located on the campus of Saint Francis
45 Hospital and Medical Center, the Connecticut Institute for Primary
46 Care Innovation, that is intended to increase the number of primary
47 care providers in the state by engaging in research and training to
48 facilitate the effective delivery of primary care, (D) a health disparities
49 institute sponsored by The University of Connecticut that will enhance
50 research and the delivery of care to the minority and medically
51 underserved populations of the state, (E) an institute for clinical and
52 translational science to be located on the campus of The University of
53 Connecticut Health Center, (F) The Connecticut Institute for Nursing
54 Excellence to be located on the campus of The University of
55 Connecticut School of Nursing that will explore ways to enhance the
56 recruitment, education and retention of nurses and nursing faculty, (G)
57 a Permanent Regional Phase One Clinical Trials Unit to be located at
58 The Hospital of Central Connecticut, (H) a cancer treatment center to
59 be located in its entirety within the city of New Britain, and (I) patient
60 room renovations at Bristol Hospital; and (5) fostering growth in the
61 bioscience sector of the state's economy by extending the same benefits
62 afforded to businesses located in an enterprise zone to businesses that
63 are engaged in bioscience and located in the city of Hartford or certain
64 areas in the town of Farmington, the city of New Britain and the city of
65 Bristol.

66 Sec. 2. Section 10a-109c of the general statutes is repealed and the
67 following is substituted in lieu thereof (*Effective from passage*):

68 As used in sections 10a-109a to 10a-109y, inclusive, and 32-41s, as
69 amended by this act, and sections 8 to 12, inclusive, 14 and 15 of this
70 act, unless the context otherwise indicates, the following terms have
71 the following meanings:

72 (1) "Act" means The University of Connecticut 2000 Act.

73 (2) "Assured revenues" means revenues other than project revenues,
74 to be received from fees, tuition, rentals, charges, gifts, investments,
75 endowments and from grants, subsidies, contracts, leases or other
76 agreements made by or with the federal government, the state or any
77 political subdivision, agency or instrumentality of the federal
78 government or the state, or others, including the state debt service
79 commitment, the minimum state operating provision and special
80 eligible gifts.

81 (3) "Board of trustees" means the Board of Trustees of The
82 University of Connecticut.

83 (4) "Cost", as applied to a project or any portion of the project,
84 includes, but is not limited to: The purchase price or acquisition cost of
85 any such project; the cost of planning, designing, constructing,
86 building, alteration, enlargement, reconstruction, renovation,
87 improvement, equipping and remodeling; the cost of all labor,
88 materials, building systems, machinery and equipment; the cost of all
89 lands, structures, real or personal property, rights, easements and
90 franchises acquired; the cost of all utility extensions, access roads, site
91 development, financing charges, premiums for insurance, interest
92 prior to and during construction and for six months thereafter; the cost
93 of working capital related to the project; the cost of plans and
94 specifications, surveys and estimates of cost and of revenues; the cost
95 of accountants, audits, engineering, feasibility studies, legal and other
96 professional consulting or technical services; the cost of reserves for
97 payment of future debt service related to the financing transaction
98 proceedings and for future repairs, renewals, replacements, additions
99 and improvements; the cost of all other expenses necessary or incident
100 to determining the feasibility or practicability of such construction; and
101 administrative and operating expenses and such other expenses as
102 may be necessary or incident to the financing authorized.

103 (5) "Endowment fund" means the fund described in subsection (b)

104 of section 10a-109i.

105 (6) "Endowment fund eligible gift" means a gift to or for the benefit
106 of the university of cash or assets which may be reduced to cash or
107 which has a value that is ascertainable by the university which the
108 donor has specifically designated for deposit in the endowment fund
109 or which explicitly or implicitly by the terms of the gift the university
110 may and does deposit or permit to be deposited in the endowment
111 fund.

112 (7) "Endowment fund state grant" means moneys transferred by the
113 Department of Higher Education from the fund established pursuant
114 to section 10a-8b for deposit into the endowment fund pursuant to
115 subdivision (2) of subsection (b) of section 10a-109i in an aggregate
116 amount not exceeding the endowment fund state grant maximum
117 commitment.

118 (8) "Endowment fund state grant maximum commitment" means an
119 amount not exceeding ten million dollars for the fiscal year ending
120 June 30, 1999, seven million five hundred thousand dollars for each of
121 the fiscal years ending June 30, 2000, June 30, 2002, June 30, 2003, June
122 30, 2004, and June 30, 2005, five million dollars for the fiscal year
123 ending June 30, 2001, ten million dollars for the fiscal years ending
124 June 30, 2006, and June 30, 2007, and fifteen million dollars for the
125 fiscal years ending June 30, 2008, to June 30, 2014, inclusive.

126 (9) "Finance committee" means the budget and finance committee of
127 the board of trustees.

128 (10) "Financing documents" means any securities, loan agreements,
129 credit agreements, financing leases, lease-purchase agreements, trust
130 agreements, indentures, resolutions, security agreements, pledge
131 agreements or other contracts, agreements or documents executed and
132 delivered by the university in connection with a financing transaction
133 proceeding.

134 (11) "Financing transaction proceedings" means the proceedings of

135 the university authorizing the issuance of securities under sections
136 10a-109a to 10a-109y, inclusive, the provisions of any indenture of trust
137 or resolution securing securities, which provisions are incorporated
138 into such proceedings, the provisions of any financing or other
139 documents or agreements which are incorporated into such
140 proceedings, and a certificate of determination executed and filed by
141 the Treasurer in accordance with subsection (e) or (f) of section 10a-
142 109g.

143 (12) "Governor" means the Governor of the state.

144 (13) "Holder" or "owner" when used with reference to securities
145 means any person or party who is the registered owner of any
146 outstanding security.

147 (14) "State debt service commitment" means, with respect to
148 securities issued as general obligations of the university pursuant to
149 subsection (c) of section [10-109g] 10a-109g for UConn 2000, [in a
150 principal amount not exceeding nine hundred eighty million dollars,]
151 an annual amount, commencing in the state fiscal year ending June 30,
152 1996, and any fiscal year thereafter for any special debt service
153 requirements when due and payable.

154 (15) "Minimum state operating provision" means the commitment of
155 the state to appropriate, annually, an amount for the university for
156 operations after receiving a request from the university therefor and
157 consideration of other amounts available to the university for its
158 operations which amount so appropriated shall be consistent with the
159 university continuing to operate in furtherance and pursuant to the
160 provisions of section 2 of article eighth of the Constitution of the state
161 and applicable law as an institution dedicated to the excellence in
162 higher education, including the operation of the components of UConn
163 2000 at Storrs and elsewhere in the state pursuant to section 10a-109e;
164 provided, nothing in sections 10a-109a to 10a-109y, inclusive, shall be
165 construed to preclude the state from appropriating a lower or higher
166 amount than the amount appropriated in the previous fiscal year as

167 long as the Appropriation Act provides and determines that the
168 university can continue to operate as an institution dedicated to
169 excellence in higher education and such amount so appropriated shall
170 then constitute the minimum state operating provision.

171 (16) "Project" means any structure designed for use as a dormitory
172 or other housing facility, dining facility, student union, academic
173 building, administrative facility, library, classroom building, research
174 facility, faculty facility, office facility, athletic facility, health care
175 facility, laboratory, maintenance, storage or utility facility or other
176 building or structure essential, necessary or useful for instruction in a
177 program of education provided by the university; or any multipurpose
178 structure designed to combine two or more of the functions performed
179 by the types of structures enumerated in this subsection, including,
180 without limitation, improvements, reconstruction, replacements,
181 additions and equipment acquired in connection with a project or in
182 connection with operation of any facilities of the university existing on
183 June 7, 1995. "Project" includes all real and personal property, lands,
184 improvements, driveways, roads, approaches, pedestrian access roads,
185 parking lots, parking facilities, rights-of-way, utilities, easements and
186 other interests in land, machinery and equipment, and all
187 appurtenances and facilities either on, above or under the ground that
188 are used or usable in connection with any of the structures mentioned
189 in this subsection. "Project" also includes landscaping, site preparation,
190 furniture, machinery, equipment and other similar items necessary or
191 convenient for the operation of a particular facility or structure in the
192 manner for which its use is intended, but does not include items that
193 are customarily under applicable accounting principles considered as a
194 current operating charge, unless the category and maximum amount
195 thereof is specifically included by a determination of the board of
196 trustees in the financing transaction proceedings and by percentage or
197 otherwise as may be limited pursuant to such proceedings in order to
198 preserve the excludability of the interest on the securities issued
199 therefor from federal taxation under the applicable provisions of the
200 Internal Revenue Code of 1986, or any subsequent corresponding

201 internal revenue code of the United States as from time to time
202 amended.

203 (17) "Project revenues" means revenues received from projects
204 existing on June 7, 1995, from projects under construction or from
205 projects the acquisition, construction or accomplishment of which the
206 university has entered into a binding commitment, anticipated by the
207 board of trustees to produce annual revenues in an amount not less
208 than the anticipated annual cost of operation, maintenance and repair
209 of such project, and annual debt service payments on any financing
210 transaction proceedings for the project during the term of any such
211 proceedings effected under sections 10a-109a to 10a-109y, inclusive, for
212 the project, as determined by the board of trustees.

213 (18) "Securities" means any bonds, notes or other evidences of
214 indebtedness or borrowing of the university issued pursuant to
215 sections 10a-109a to 10a-109y, inclusive.

216 (19) "Special debt service requirements" means, for any period, and
217 with respect to securities, subject to the financing transaction
218 proceedings authorizing the issuance of the securities, the sum of (A)
219 the principal on serial bonds or sinking fund installment on term
220 bonds and interest accruing and coming due during such period, (B)
221 the amounts, if any, required, with respect to interest rate fluctuations
222 on variable rate debt, or with respect to securities not secured by the
223 state debt service commitment during such period to establish or
224 maintain reserves, sinking funds or other funds or accounts at the
225 respective levels required to be established or maintained therein in
226 accordance with the proceedings authorizing the issuance of securities,
227 (C) annual expenses of issuance and administration with respect to
228 securities, (D) the amounts, if any, becoming due and payable under a
229 reimbursement agreement or similar agreement entered into pursuant
230 to authority granted under the proceedings authorizing the issuance of
231 securities, (E) net amounts owing under interest rate agreements
232 authorized and effective under section 10a-109j, (F) arbitrage rebate
233 requirements pursuant to subsection (b) of section 10a-109q on

234 securities secured by the state debt service commitment, and (G) any
235 other annual costs or expenses necessary or proper to be paid in
236 connection with the securities, including, without limitation, the
237 annual cost of any credit facility, including but not limited to a letter of
238 credit or policy of bond insurance, issued by a financial institution
239 pursuant to an agreement approved in the financing transaction
240 proceedings.

241 (20) "Special eligible gift" means a gift to or for the benefit of the
242 university of cash or assets which may be reduced to cash by the
243 university which the donor has specifically designated as a donation
244 for use by the university in furtherance of UConn 2000 or which
245 explicitly or implicitly by the terms of the gift the university may use
246 for UConn 2000 and which the university determines to so use for such
247 purpose pursuant to subsection (a) of section 10a-109i.

248 (21) "Special External Gift Fund" means the fund established
249 pursuant to subsection (a) of section 10a-109i.

250 (22) "State" means the state of Connecticut.

251 (23) "State Bond Commission" means the commission established
252 and existing pursuant to subsection (c) of section 3-20, as the same may
253 from time to time be amended, or any successor to said commission.

254 (24) "Treasurer" means the Treasurer of the state or his deputy
255 appointed pursuant to section 3-12.

256 (25) "UConn 2000 infrastructure improvement program" or "UConn
257 2000" means the projects identified or referenced in section 10a-109e, as
258 same may be modified from time to time in accordance with said
259 section 10a-109e and, in bundle, constitutes the special capital
260 improvement program proposed by the university, approved by the
261 state and identified in said section 10a-109e as necessary at this time to
262 modernize, rehabilitate, renew, expand and otherwise stabilize the
263 physical plant of the university so as to provide the Connecticut
264 community with confidence that a concentrated, accelerated and

265 cooperative effort is being made for the benefit of the educational and
266 economic development needs of the state and university and in an
267 efficient, cost effective and timely manner and to assure that the
268 university can continue to properly and proudly compete successfully
269 for students, faculty, staff and external grant support.

270 (26) "University" means The University of Connecticut, a constituent
271 unit of the state system of public higher education, including The
272 University of Connecticut Health Center.

273 (27) "Contractor" means any person, firm, corporation or other legal
274 entity (A) seeking prequalification to bid on a contract or seeking the
275 award of a contract, or (B) prequalified to bid on a contract or that has
276 been awarded a contract, in accordance with subsection (c) of section
277 10a-109n.

278 (28) "Total cost basis contract" means a construction manager at-risk
279 project delivery contract between The University of Connecticut and a
280 contractor to accomplish multiple elements of a project, including, but
281 not limited to, site acquisition, architectural design, preconstruction
282 activities, project management and construction.

283 (29) "Deferred maintenance" means repair of an infrastructure or
284 structure, that was not maintained, repaired or replaced in the usual
285 course of maintenance and repair.

286 (30) "NICU transfer" means the transfer of the licensure and control
287 of forty neonatal intensive care unit beds located at John Dempsey
288 Hospital to Connecticut Children's Medical Center resulting in (A) no
289 decrease in John Dempsey Hospital's total licensed bed capacity, and
290 (B) an increase in Connecticut Children's Medical Center's total
291 licensed bed capacity by forty.

292 (31) "Secretary" means the Secretary of the Office of Policy and
293 Management.

294 (32) "UConn health network initiatives" means the initiatives to

295 develop a simulation and conference center on the Hartford Hospital
296 campus, a primary care institute on the Saint Francis Hospital and
297 Medical Center campus, an institute for clinical and translational
298 science on The University of Connecticut Health Center campus, a
299 comprehensive cancer center, The University of Connecticut-
300 sponsored health disparities institute, The Connecticut Institute for
301 Nursing Excellence, a Permanent Regional Phase One Clinical Trials
302 Unit at The Hospital of Central Connecticut, a cancer treatment center
303 in the city of New Britain, and patient room renovations at Bristol
304 Hospital, described in section 10a-109b, as amended by this act.

305 (33) "The University of Connecticut Health Center new construction
306 and renovation" means the planning, design, development, financing,
307 construction, renovation, furnishing, equipping and completion of
308 clinical, academic and research space within John Dempsey Hospital
309 and The University of Connecticut Health Center, including, but not
310 limited to, construction of a new bed tower for John Dempsey
311 Hospital, resulting in an increase in its total licensed bed capacity from
312 the current two hundred twenty-four beds to a number not to exceed
313 two hundred thirty-four beds, including newborn bassinets.

314 Sec. 3. Subdivision (10) of subsection (a) of section 10a-109d of the
315 general statutes is repealed and the following is substituted in lieu
316 thereof (*Effective from passage*):

317 (10) To borrow money and issue securities to finance the acquisition,
318 construction, reconstruction, improvement or equipping of any one
319 project, or more than one, or any combination of projects, or to refund
320 securities issued after June 7, 1995, or to refund any such refunding
321 securities or for any one, or more than one, or all of those purposes, or
322 any combination of those purposes, and to provide for the security and
323 payment of those securities and for the rights of the holders of them,
324 except that the amount of any such borrowing, the special debt service
325 requirements for which are secured by the state debt service
326 commitment, exclusive of the amount of borrowing to refund
327 securities, or to fund issuance costs or necessary reserves, may not

328 exceed the aggregate principal amount of (A) for the fiscal years
 329 ending June 30, 1996, to June 30, 2005, inclusive, one billion thirty
 330 million dollars, (B) for the fiscal years ending June 30, 2006, to June 30,
 331 [2016] 2018, inclusive, one billion [two hundred fifty] four hundred
 332 fifty-seven million dollars, and (C) such additional amount or
 333 amounts: (i) Required from time to time to fund any special capital
 334 reserve fund or other debt service reserve fund in accordance with the
 335 financing transaction proceedings, and (ii) to pay or provide for the
 336 costs of issuance and capitalized interest, if any; the aggregate amounts
 337 of subparagraphs (A), (B) and (C) of this subdivision are established as
 338 the authorized funding amount, and no borrowing within the
 339 authorized funding amount for a project or projects may be effected
 340 unless the project or projects are included in accordance with
 341 subsection (a) of section 10a-109e;

342 Sec. 4. Subsection (a) of section 10a-109e of the general statutes is
 343 repealed and the following is substituted in lieu thereof (*Effective from*
 344 *passage*):

345 (a) The university may administer, manage, schedule, finance,
 346 further design and construct UConn 2000, to operate and maintain the
 347 components thereof in a prudent and economical manner and to
 348 reserve for and make renewals and replacements thereof when
 349 appropriate, it being hereby determined and found to be in the best
 350 interest of the state and the university to provide this independent
 351 authority to the university along with providing assured revenues
 352 therefor as the efficient and cost effective course to achieve the
 353 objective of avoiding further decline in the physical infrastructure of
 354 the university and to renew, modernize, enhance and maintain such
 355 infrastructure, the particular project or projects, each being hereby
 356 approved as a project of UConn 2000, and the presently estimated cost

358 Sec. 5. Section 10a-109e of the general statutes is amended by adding
 359 subsections (e) and (f) as follows (*Effective from passage*):

360 (NEW) (e) Except as provided in subsection (f) of this section, the
 361 plan of funding The University of Connecticut Health Center new
 362 construction and renovation shall be (1) the contribution of not less

363 than one hundred million dollars of federal, private or other nonstate
364 money, or any combination thereof, (2) proceeds of securities issued by
365 the university in accordance with subdivision (10) of subsection (a) of
366 section 10a-109d of the general statutes, as amended by this act, in an
367 amount not to exceed two hundred seven million dollars, and (3)
368 reallocation of twenty-five million dollars from The University of
369 Connecticut Health Center main building renovation for planning and
370 design costs associated with The University of Connecticut Health
371 Center new construction and renovation. Such federal, private or other
372 nonstate money, now available or hereafter to be made available
373 pursuant to subdivision (1) of this subsection, shall be deposited in
374 such account or accounts of the university as the secretary and
375 Treasurer, in consultation with the university, deem appropriate so as
376 to assure timely payment of the cost of such project.

377 (NEW) (f) Until such time as (1) the full amount of the federal,
378 private or other nonstate money described in subdivision (1) of
379 subsection (e) of this section is made available, and, upon such money
380 being made available, (2) the State Bond Commission allocates the
381 bonds authorized pursuant to section 8 of this act for the UConn health
382 network initiatives, the university shall not expend any funds
383 authorized by subdivision (10) of subsection (a) of section 10a-109d, as
384 amended by this act, subsection (a) of section 10a-109e, as amended by
385 this act or subdivision (1) of subsection (a) of section 10a-109g, as
386 amended by this act, for The University of Connecticut Health Center
387 new construction and renovation, except for the twenty-five million
388 dollars authorized by subsection (a) of section 10a-109e, as amended
389 by this act, for The University of Connecticut Health Center planning
390 and design costs.

391 Sec. 6. Subdivision (1) of subsection (a) of section 10a-109g of the
392 general statutes is repealed and the following is substituted in lieu
393 thereof (*Effective from passage*):

394 (a) (1) The university is authorized to provide by resolution, at one
395 time or from time to time, for the issuance and sale of securities, in its

396 own name on behalf of the state, pursuant to section 10a-109f. The
 397 board of trustees of the university is hereby authorized by such
 398 resolution to delegate to its finance committee such matters as it may
 399 determine appropriate other than the authorization and maximum
 400 amount of the securities to be issued, the nature of the obligation of the
 401 securities as established pursuant to subsection (c) of this section and
 402 the projects for which the proceeds are to be used. The finance
 403 committee may act on such matters unless and until the board of
 404 trustees elects to reassume the same. The amount of securities the
 405 special debt service requirements of which are secured by the state
 406 debt service commitment that the board of trustees is authorized to
 407 provide for the issuance and sale in accordance with this subsection
 408 shall be capped in each fiscal year in the following amounts, subject to
 409 the provisions of section 14 of this act and, provided, to the extent the
 410 board of trustees does not provide for the issuance of all or a portion of
 411 such amount in a fiscal year, all or such portion, as the case may be,
 412 may be carried forward to any succeeding fiscal year and provided
 413 further, the actual amount for funding, paying or providing for the
 414 items described in subparagraph (C) of subdivision (10) of subsection
 415 (a) of section 10a-109d may be added to the capped amount in each
 416 fiscal year:

417 Sec. 7. Subsection (a) of section 10a-109n of the general statutes is
 418 repealed and the following is substituted in lieu thereof (*Effective from*
 419 *passage*):

420 (a) For the period from July 1, 2001, to June 30, [2016] 2018, or until
 421 completion of the UConn 2000 infrastructure improvement program,
 422 whichever is later, the university shall have charge and supervision of
 423 the design, planning, acquisition, remodeling, alteration, repair,
 424 enlargement [,] or demolition of any real asset or any other project on
 425 its campuses.

426 Sec. 8. (NEW) (*Effective from passage*) (a) The State Bond Commission
 427 shall have power, from time to time, to authorize the issuance of bonds
 428 of the state in one or more series and in principal amounts in the
 429 aggregate, not exceeding thirty million dollars.

430 (b) The proceeds of the sale of the bond issuance described in
 431 subsection (a) of this section shall be used by the Office of Policy and
 432 Management, in consultation with the chairperson of the Board of
 433 Trustees of the university, for the purpose of the UConn health
 434 network initiatives in the following manner: (1) Twenty million dollars
 435 of such proceeds shall be used to fulfill the initiatives to develop a

436 simulation and conference center on the Hartford Hospital campus, a
437 primary care institute on the Saint Francis Hospital and Medical
438 Center campus, an institute for clinical and translational science on
439 The University of Connecticut Health Center campus, a
440 comprehensive cancer center and The University of Connecticut-
441 sponsored health disparities institute; (2) three million dollars of such
442 proceeds shall be used to fulfill the initiatives to develop The
443 Connecticut Institute for Nursing Excellence at The University of
444 Connecticut at Storrs; (3) five million dollars of such proceeds shall be
445 used to fulfill the initiatives for the planning, design, land acquisition,
446 development and construction of (A) a cancer treatment center to be
447 constructed by, or in partnership with, The Hospital of Central
448 Connecticut, provided such cancer treatment center is located entirely
449 within the legal boundaries of the city of New Britain, (B) renovations
450 and upgrades to the oncology unit at The Hospital of Central
451 Connecticut, and (C) if certificate of need approval is received
452 pursuant to the provisions of subsection (b) of section 10 of this act, a
453 Permanent Regional Phase One Clinical Trials Unit located at The
454 Hospital of Central Connecticut in New Britain; and (4) two million
455 dollars of such proceeds shall be used to fulfill the initiatives for
456 patient room renovations at Bristol Hospital. In the event that the
457 cancer treatment center authorized pursuant to subdivision (3) of this
458 subsection is built in whole or in part outside the legal boundaries of
459 the city of New Britain, The Hospital of Central Connecticut shall
460 repay the entire amount of the proceeds used to fulfill the initiatives
461 for the planning, design, development and construction of such center.

462 (c) The provisions of section 3-20 of the general statutes or the
463 exercise of any right or power granted pursuant to said section that are
464 not inconsistent with the provisions of sections 10a-109b to 10a-109e,
465 inclusive, 10a-109g, 10a-109n and 32-41s of the general statutes, as
466 amended by this act, and sections 8 to 12, inclusive, 14 and 15 of this
467 act are hereby adopted and shall apply to all bonds authorized by the
468 State Bond Commission pursuant to subsections (a) and (b) of this
469 section. Temporary notes issued in anticipation of the money to be

470 derived from the sale of any such bonds so authorized may be issued
471 in accordance with section 3-20 of the general statutes and from time to
472 time renewed. Such bonds shall mature at such time or times not
473 exceeding twenty years from their respective dates as may be provided
474 in or pursuant to the resolution or resolutions of the State Bond
475 Commission authorizing such bonds.

476 (d) None of the bonds described in subsections (a) and (b) of this
477 section shall be authorized, except upon a finding by the State Bond
478 Commission that there has been filed with it a request for such
479 authorization that (1) has been signed by the secretary or by or on
480 behalf of the university, (2) states that not less than one hundred
481 million dollars of federal, private or other nonstate money has been
482 contributed pursuant to section 10a-109e of the general statutes, as
483 amended by this act, for purposes of The University of Connecticut
484 Health Center new construction and renovation, and (3) contains such
485 other terms and conditions as the commission, in its discretion, may
486 require.

487 Sec. 9. (NEW) (*Effective from passage*) The bonds issued pursuant to
488 section 8 of this act shall be general obligations of the state and the full
489 faith and credit of the state of Connecticut are pledged for the payment
490 of the principal of and interest on said bonds as the same become due,
491 and accordingly and as part of the contract of the state with the holders
492 of said bonds, appropriation of all amounts necessary for punctual
493 payment of such principal and interest is hereby made, and the
494 Treasurer shall pay such principal and interest as the same become
495 due.

496 Sec. 10. (NEW) (*Effective from passage*) (a) Not later than December
497 31, 2010, Connecticut Children's Medical Center and John Dempsey
498 Hospital shall (1) jointly notify the Secretary of the Office of Policy and
499 Management regarding their agreement to proceed with the NICU
500 transfer and increase in bed capacity of John Dempsey Hospital, or (2)
501 notify the secretary, either jointly or individually, that Connecticut
502 Children's Medical Center, John Dempsey Hospital, or both, have

503 abandoned their plans to proceed with the NICU transfer and increase
504 in bed capacity of John Dempsey Hospital. For purposes of this
505 section, the NICU transfer and increase in bed capacity of John
506 Dempsey Hospital shall be treated as one project and shall not be
507 separated for purposes of the certificate of need approval process
508 without the filing of a new certificate of need application pursuant to
509 chapter 368z of the general statutes and subsection (b) of this section.

510 (b) Notwithstanding any provision of the general statutes, the
511 process for certificate of need approval governed by chapter 368z of
512 the general statutes, to the extent applicable, shall be expedited for the
513 NICU transfer, The University of Connecticut Health Center new
514 construction and renovation and any of the UConn health network
515 initiatives as follows: No extensions of the ninety-day time period
516 within which the Office of Health Care Access division within the
517 Department of Public Health has to issue a decision to grant, deny or
518 modify the request for a certificate of need following the receipt of a
519 complete certificate of need application shall be made to any of the
520 applicants or said office, or any successor office, department or agency.

521 (c) State employees who provide services in the neonatal intensive
522 care unit shall continue to negotiate wages, hours and other conditions
523 of employment through such employees' respective bargaining agents,
524 in accordance with chapter 68 of the general statutes, pursuant to any
525 agreement entered into by John Dempsey Hospital or The University
526 of Connecticut Health Center Finance Corporation.

527 (d) The NICU transfer shall not result in any change in the licensure
528 or ownership of the transport service currently operated by John
529 Dempsey Hospital. Employees providing transport services on behalf
530 of John Dempsey Hospital shall continue to negotiate wages, hours
531 and other conditions of employment through such employees'
532 respective bargaining agents, in accordance with chapter 68 of the
533 general statutes, pursuant to any agreement entered into between John
534 Dempsey Hospital or The University of Connecticut Health Center
535 Finance Corporation.

536 Sec. 11. (NEW) (*Effective from passage*) The Connecticut Institute for
537 Primary Care Innovation is a collaborative enterprise between The
538 University of Connecticut School of Medicine and Saint Francis
539 Hospital and Medical Center that will focus on research and training
540 relevant to primary care and will not engage in or manage the delivery
541 of health care services. The institute shall, at all times, operate in
542 accordance with the requirements and policies of The University of
543 Connecticut School of Medicine and the requirements of the Liaison
544 Committee on Medical Education and the Accreditation Council for
545 Graduate Medical Education. The University of Connecticut School of
546 Medicine and Saint Francis Hospital and Medical Center shall enter
547 into an affiliation agreement that shall provide that the institute shall
548 not be constrained by the Ethical and Religious Directives for Catholic
549 Health Care Services with regard to research and training pertaining to
550 primary health care or any report or recommendation generated from
551 such research. The institute shall disclose any research findings or
552 results concerning medically accepted best practices.

553 Sec. 12. (NEW) (*Effective from passage*) (a) The Connecticut
554 Institute for Nursing Excellence shall be located at The University of
555 Connecticut School of Nursing. The purpose of the institute shall be to
556 enhance education, recruitment and retention of nurses and nursing
557 faculty and to promote nursing research in best practices in education.

558 (b) The institute shall be governed by an oversight board comprised
559 of the following members:

560 (1) A representative of The University of Connecticut School of
561 Nursing, who shall be the chairperson of the board and appointed by
562 the dean of The University of Connecticut School of Nursing;

563 (2) A representative of The University of Connecticut Health Center,
564 appointed by the board of directors of The University of Connecticut
565 Health Center;

566 (3) A representative of Saint Joseph College, appointed by the
567 president of Saint Joseph College;

568 (4) A representative of Yale University School of Nursing, appointed
569 by the dean of Yale University School of Nursing;

570 (5) A representative of Yale New Haven Hospital, appointed by the
571 president of Yale New Haven Hospital;

572 (6) A representative of the regional community-technical college
573 system, appointed by the board of trustees of the regional community-
574 technical college system;

575 (7) A representative of the Connecticut Hospital Association,
576 appointed by the board of trustees of the Connecticut Hospital
577 Association;

578 (8) A representative of Hartford Hospital, appointed by the
579 president of Hartford Hospital;

580 (9) A representative of Saint Francis Hospital and Medical Center,
581 appointed by the president of Saint Francis Hospital;

582 (10) A nursing student, appointed by the Governor; and

583 (11) A member of the public, appointed by the Governor.

584 (c) Members of the oversight board shall be appointed not later than
585 thirty days following the issuance of bonds for the UConn health
586 network initiatives pursuant to section 8 of this act. The chairperson
587 may appoint additional members as needed. The terms of the members
588 shall be four years, except that the terms of the initial members
589 appointed pursuant to subdivisions (7) to (11), inclusive, of this
590 subsection shall be two years. No member of the oversight board shall
591 serve more than two consecutive four-year terms.

592 (d) The institute shall (1) evaluate and formulate strategies for the
593 implementation of best practices for increasing the retention of nurses;
594 (2) assist hospitals in establishing and evaluating a pilot nursing
595 residency program to provide mentoring to first-year, hospital-based
596 nurses to ease transition from education to clinical practice and

597 increase the retention of such nurses; (3) establish and promote
598 master's and doctorate-level programs to prepare nurses who have
599 earned a baccalaureate degree to serve as educators in nursing schools,
600 by measures which may include providing (A) eligibility for loan
601 forgiveness programs for those nurses who successfully complete such
602 master's-level programs and have been members of a nursing faculty
603 in this state for not less than four years, and (B) methods to increase
604 compensation for nurse educators consistent with applicable state laws
605 and collective bargaining agreements, including scholarships for
606 service; (4) explore strategies for enhancing the education, recruitment
607 and retention of nurses and nursing faculty in this state; (5) establish
608 an evidence-based research center that reflects the current best science,
609 experiential learning and clinical knowledge development; and (6)
610 pursue grant funding and philanthropic support for nursing projects.

611 Sec. 13. Section 32-41s of the general statutes is repealed and the
612 following is substituted in lieu thereof (Effective July 1, 2010):

613 (a) As used in this section:

644 or (8) any municipality which has [(1)] (A) a major research university
645 with programs in bioscience, biotechnology, pharmaceuticals or
646 photonics and [(2)] (B) an enterprise zone, shall be entitled to the same
647 benefits, subject to the same conditions, under the general statutes for
648 which businesses located in an enterprise zone qualify.

649 (c) Connecticut Innovations, Incorporated may provide lease
650 guarantees or other financial aid for facilities, improvements and
651 equipment, to benefit any eligible business which is unable to secure
652 financing for such items on commercially reasonable terms.

653 (d) Connecticut Innovations, Incorporated may recommend
654 regulations to carry out the purposes of this section, which the
655 Commissioner of Economic and Community Development shall adopt
656 in accordance with chapter 54.

657 (e) Connecticut Innovations, Incorporated shall evaluate the
658 feasibility of establishing a bio-processing facility within this state. If
659 determined to be feasible, Connecticut Innovations, Incorporated shall
660 facilitate the formation of a business consortium, in which it may

661 participate, to launch and operate such facility.

662 Sec. 14. (NEW) (*Effective from passage*) Not later than June 30, 2011,
663 the president of The University of Connecticut and the Governor's
664 designee shall notify the Secretary of the Office of Policy and
665 Management whether not less than one hundred million dollars in
666 federal, private or other nonstate money has been contributed
667 pursuant to section 10a-109e of the general statutes, as amended by
668 this act. In the event the notification states that such money has not
669 been contributed, construction on The University of Connecticut
670 Health Center new construction and renovation shall not commence
671 until such money has been raised, at which time construction may
672 commence. If such money has not been contributed by June 30, 2015,
673 notwithstanding the provisions of sections 10a-109b to 10a-109e,
674 inclusive, 10a-109g, 10a-109n and 32-41s of the general statutes, as
675 amended by this act, and sections 8 to 12, inclusive, and 15 of this act,
676 the UConn health network initiatives and The University of
677 Connecticut Health Center new construction and renovation shall
678 terminate, the State Bond Commission shall not authorize the issuance
679 of bonds for the purpose of said initiatives pursuant to section 8 of this
680 act, and the annual capped amounts of the securities authorized by
681 subdivision (1) of subsection (a) of section 10a-109g of the general
682 statutes, as amended by this act, shall revert to those amounts
683 authorized by said section prior to the effective date of section 6 of this
684 act.

685 Sec. 15. (NEW) (*Effective from passage*) Not later than January 1, 2011,
686 and biennially thereafter until completion of the UConn health
687 network initiatives and The University of Connecticut Health Center
688 new construction and renovation, The University of Connecticut shall
689 report, in accordance with the provisions of section 11-4a of the general
690 statutes, to the joint standing committees of the General Assembly
691 having cognizance of matters relating to higher education, public
692 health, finance, revenue and bonding, and appropriations on the
693 progress of the UConn health network initiatives and The University
694 of Connecticut Health Center new construction and renovation."
